INFORMATION FOR HIRERS

FIRE PROCEDURE: Fire Procedure Notices relating to exits, extinguishers & telephones are posted in the entrance lobby and main hall.

SUPERVISION

PUBLIC EVENT (i.e. open to anyone with or without a ticket): If you are using the hall for a public event, it is a condition of the Premises Licence that you familiarise yourself in advance with the actions required in the case of fire and other emergencies. Before the event you must arrange to brief a minimum of 2 attendants per 100 people of their duties in case of fire and other emergencies (you may be one of these attendants). The ratio is higher when disabled people or a large proportion of children are present.

PRIVATE EVENT: We recommend that you familiarise yourselves with the action required in the case of fire or an emergency.

ACCESS: You should agree with the Bookings Co-ordinator, well in advance, arrangements for collecting the hall key and returning it

Please do not leave the key in the door on entering

LIGHTING:

Porch: An automatic sensor light operates in the porch

Entrance lobby: The switch is located just inside the entrance to the right.

Kitchen: The switch is located to the right as you enter the kitchen.

Other lights: The **RED** master switch at the bottom left hand side of the panel in the kitchen must be turned on **FIRST**, and then other lights as required.

The cloakroom switches are at the bottom right hand side of the panel.

The hall has downlighting in the ceiling; this is controlled by dimmer switches inside the hall, by the door.

Please switch off all lights and the master switch on leaving

WALLS: Please do not attach anything directly to the walls. Use the rail provided in the main hall.

BOUNCY CASTLES

Small bouncy castles (and other similar inflatables) are allowed to be used in the Village Hall: maximum height 2.75 metres. They must not be positioned under or near the overhead projector. Hirers are responsible for their own insurance and the Village Hall Management Committee will not accept any liabilities for personal injuries or damage.
